“Many Charleston County residents that are facing potentially life-changing problems don't have a lawyer. Some don't know help exists, while others don't realize their issue is legal. We're hosting this event to tell the community that there are resources to help. If you need assistance, please reach out” stated Alissa C. Lietzow, Esq., Executive Director of Charleston Pro Bono Legal Access.

The event will feature:

- Lana Kleiman, Esq., Executive Director, Charleston Legal Access
- Alissa C. Lietzow, Esq., Executive Director, Charleston Pro Bono Legal Services

Ellen S. Steinberg, Esq., Director of the CJCC, will moderate. The panel will share information on free local legal resources, who qualifies for the resources, and in what areas they can receive help. There will also be an overview of how the criminal justice system and civil justice system differ.
